Mrs. Effa Manley
71 Crawford Street
Newark, New Jersey

Dear Mrs. Manley:

I have discussed with my Committee of Management and most of our affiliated organizations concerning the advisability of the sponsoring of a benefit game by the Newark Eagles during July or August. Every group I have talked with, has been enthusiastic in response to the idea and are anxious to start work in order that we may put this project over. May I come to see you within the next few days and discuss in more detail this proposed benefit.

I have received your check for three dollars for the ad in our Athletic Smoker and Banquet Program and appreciate very much your cooperation in this matter.

Very truly yours,

William R. Jackson
